3. Approach & Update To Traditional 16 Samskaras In Ayurveda (Price rs. 240/-)

Interested ones may buy these books by contacting on cell no. 7038000648

Book on Astrology In Ayurveda gives the detail account of astrology mentioned in Ayurvedic Brihat Trayi and Laghu Trayi books with their in depth analysis. The book is constructed in accordance with the Ganita, Hora & Samhita Khand of Jyotish Shastra.

Book on Vastushastra, is another interesting book which gives insight to the principles of ancient Vastushastra mentioned in Ayurveda with respect to Rughanalayin vastu, Sutikagara, Kumaragara, Vranitagara, Jwaritagara, Aushadhi Bhandaragara and Rasashala Nirman, Other basic principles of Vastushastra like Bhumi Chayana, Shalya Shodshana, Disha Nirdharana, Vastumandala etc have been well traced in Ayurveda.

Book on traditional 16 Samskaras provides the detail account of samskaras in chronological order of definition, aims & objectives, timing, methodology and analysis of samskaras. This book also gives an information about the 25 different stream of education available in ancient Gurukulas under the Vedarambha samskara.

The huge amount of interesting information given in all 3 books make them indispensable.
