As per the point no. 16 regarding Tution fees of above said regulations, it is asked that tution fee should be charged as fixed by the 'Fee Fixation Committee' of respective state. As the NCISM is an apex governing, legally constituted body by enacting a law in the Parliament, it's all regulations including duration of study, subjects, pay etc are binding for all the Ayurvedic colleges operating in India. In this context, we request you to frame the fees of the Ayurvedic colleges operating in the state in accordance with the regulations of NCISM, so that these institutions can pay the directed salary to the Ayurvedic teachers working in the Ayurvedic colleges and kindly also ensure that the management governing these colleges pay it honestly through bank transfer in salary account as recommended by NCISM. As these directions are applicable from this year vide letter F.No. BOA/Regulations/UG/7-10/2021, the pay structure should be implemented from this year only.

Hoping for the needful.

Your's Faithfully
