**Subject** – About regular monthly salary of the Ayurvedic teachers**Reference** – Your letter Ref. No. 7-9/2021 (Misc.- BoA) dated 24-01-2022

Dear Sir,

With regard to above mentioned subject, I would like to draw your attention on the fact that, despite your directions, to the private Ayurvedic colleges vide above said letter, they are continuously disrespecting and dishonoring it. Many of the colleges in Maharashtra still not have paid the salary to their employees from months together. At some places from years together. When salary is the only income source for the regular teachers, then how they are going to survive in such conditions without livelihood. With the hope of getting salary one day and with the fear of losing the salary if they quit in between, many are continuing it with no choice. We want some concrete action on your part. Hence, we request you that you please send the letter of intimation to all the colleges that all such colleges who will not pay all outstanding dues by 31st March 2022, their annual visitation will not be undertaken and they will not be considered for admission process.

Hoping for the needful to the earliest.

for Pathology and Radiodiagnosis

Yours Faithfully
