Copy of the said G.R. and Act is attached herewith (Annexure No. 8 & 9 ) R/Sir,

I possess a post graduate degree in said subject and according to the 1998 ruling of honourable SC : I fall under the category of 'Registered Medical Practitioner'. (See Annexure No. 7 ) R/Sir,

I hereby request to your kindness to clarify the position whether a trained M.D.(AYU) Rognidana & Vikritivigyan fellow can run the pathology laboratory on professional basis as like the M.D.(Pathology) fellow from modern system of medicine.

If we can't perform these diagnostic pathology operations on professional basis being a post graduate person in a subject of specialty then what is the meaning of creating army of useless M.D.(AYU) Rognidana & Vikritivigyan fellows who cannot serve the society in anyway ?

I have communicated you several times in this regard earlier in my letter dated 29-12-2003 & 12-01-2004 but you being man of action I could not get favourable response from you. Hoping for the needful to the earliest possible this time as the honour & dignity of Ayurvedic M.D. person is at stake.

Yours Faithfully

( Dr. Subhash D. Waghe )

To,

Subject :- Regarding allowing M.D.(AYU) Roganidana & Vikrutivigyan fellows to run the pathology lab. on professional basis.

Respected Sir,

With reference to above said subject, I had sent you a detailed substantial letter on 07-02-2004 and reminder to that on 08-03-2004 and earlier letters on 29-12-2003 & 12-01-2004 as you being the responsible person in chair to answer that but still I could not get a proper response from you. Shall I conclude that you are a dumb, deaf and paralysed person ? By not answering my letter you have failed to keep your constitutional duty. The mental agony and the pain which I had gone through all these days because of inactivity on your part is irreparable. I had left with no option but to sui you in the court of Law for the same. Field of Ayurveda is not shining for sure as Govt. of India misplaced the persons all that I can say.

YOURS FAITHFULLY :

Dr. Subhash D. Waghe
