Respected Madam/Sir,

With above notification no. MUHS/X-A/2235/2022 dated 01-04-2022, University had declared summer vacations from 29-04-2022 to 07-06-2022 in two half. NCISM also declared 3 weeks summer vacation through MSE published dated 16<sup>th</sup> February 2022.

And as per notification no. MUHS/UG&PG/E-3/934/2022 dated 13/04/2022, university had declared the surprise visitations during this period. NCISM through its notification no. 26-75/2022-Ay.(Visitation) dated 27/04/2022, also declared the surprise visitations during this period.

Because of this discrepancy, private college managements are not allowing any teachers to take the leaves during summer fearing surprise visitations during this period.

Since our country falls in tropical zone, summer is intense with temperature ranging from 45 to 50 degrees. Teachers are exhausted due to year long non stop gigantic curriculum and badly needs rest during very hot summer. The social science and psychological studies have also proved that academic and

overall performance decreases during summer. Electrolyte imbalances and heat strokes are very common in summer. Most of elderly teaching faculty is suffering from hypertension and diabetes which are co morbid conditions.

Even when there is Hon. Supreme Court's order to complete admission process to Medical courses by October 31<sup>st</sup> of every year, the competent authority delays it up to May. This year it is extended up to 20<sup>th</sup> May.

This causes problem to everyone; the student, the teacher and the management. As long as management does not encash the cheques of the newly admitted students, they does not pay to the teachers. Still many private colleges have not paid to their staff.

Hence, looking at the entire scenario, this is to suggest you that :

1] Admissions to medical courses be completed by 31<sup>st</sup> October of each year.

2] Complete all sort of visitations by 31<sup>st</sup> March of each year.

3] Ensure summer vacation of complete 1 month to each teaching staff which may be divided into two half as under :

15<sup>th</sup> April to 15<sup>th</sup> May and 15<sup>th</sup> May to 15<sup>th</sup> June

Hoping for the needful action and prompt implementation.

Regards !
